

Keep your workers and facilities safe with Ladder Safety Trainings & Assessments from LineDrive

LineDrive offers comprehensive ladder safety trainings valued at \$500 and ladder assessments valued at \$1,000.

Ladder safety trainings include:

- How to select the right ladder for the application
- Proper set up and usage of step and extension ladders
- Best practices for assessing a ladder before use
- Important safety tactics to employ while climbing and using a ladder
- Unsafe behaviors to avoid while using a ladder

Ladder assessments include:

- Identification of ladder inventory
- Reviewing OSHA compliance of each ladder
- Removing unsafe and out of compliance ladders
- Immediate recommendations on proper replacement ladders
- Electronic, documented reporting
